

## GREEN TEAM

The new "Cannabis Green Team" introduces  
Consulting Services for the Home Cannabis Grower

### Home Grown Services:

- apply for your AMCPR certification - do it yourself or we can assist you
- have your own grow designed for your home for \$250 (all prices are before GST)
- Certified Building Services that surpass Municipal Building Codes!

### Contract Services:

The **Cannabis Green Team** offers an *Apprentice Contract* to take you from the beginning of the growing process to starting your second crop. (~9 months) We provide 35 hours of Consulting via; phone, Skype and home visits. Prices vary upon the clients needs, location, travel times, garden size, etc. An full service *Apprentice Contract* is approximately \$2,500.00 and a one time visit would be \$150 if in the trading area.

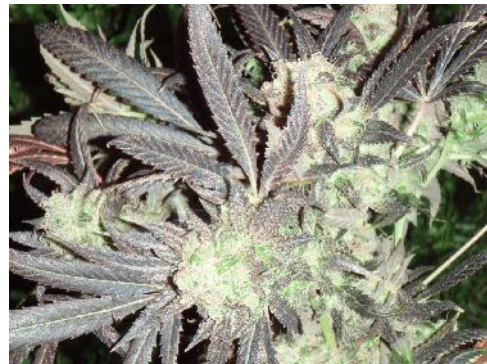

### Existing Grow Consulting Services:

- Are your plants stressed?
- Low yields?
- Humidity issues?
- Smell issues?
- Pests?

**Call the Cannabis Green Team for assistance.**

### Rentals:

The **Cannabis Green Team** rents Magic Butter Makers at \$25.00 a day so that you can make your medicine at home. We also rent a cap maker for \$5.00 a day so that you can produce your own capsules from your crop.

### Cannabis Home Parties! Have a Cannabis Consultant come to your home & educate

- what Cannabis strain is good for your medicinal needs?
- how to manage your crop throughout it's lifecycle
- from clone to maturity
- when is your crop at its optimum for harvesting?
- how to prepare your crop for harvesting
- how to dry, trim and cure your crop
- how to make butter, oils, tinctures, & salves from your crop
